UI / UX WOOFIC

Visually the provider registration form is like this, but I don't like:

https://www.woofics.com/supplier
https://www.woofics.com/serviceprovider

What I want is something more colorful, this type, but with my logo, my corporate colors

https://www.habitissimo.es/registrar/empresa

Registration Information:

Woofic logo

Get new clients

Text:

Get to the next level, get to where you've never been before and discover new opportunities.

We advise you without obligation 680

Picture:
https://www.freepik.es/vector-gratis/confecto-vista-isometrica-registro-online_3378583.htm# page = 1 & query = Registro & position = 28

Registration Data:

1-Name of your business
2-Your name
3-E-mail
4-Telephone
5-Password
6-Company size
7-Location of your business (zip code)

What do you mainly do:

SUPPLIER LED SCREENS

SUPPLIER SERVICES:

    REPAIRS
    ELECTRICIAN
    ARCHITECTS / ENGINEERS
    GRAPHIC DESIGNER
    SCREEN MANAGEMENT
    STRUCTURES
    ADVERTISE ON SCREENS
    INSTALLER

CALCULATOR:

I do not like the current design, they are very straight lines, it is a very old design I want something more modern.

Visual design as I want the calculator:

https://dribbble.com/shots/13667794-Mortgage-calculator

I understand that the design that I pass you is an app, but I like the lines, shapes and the way the information is displayed.

I would like to confirm if the technical information shown in point 3. Results, I can update it in the administrator dashboard.

I would like to add to the calculator the option to show the financed price and the cash price.

The financing option must be added the interest and the months, so that it does not result in a monthly installment.

In the administrator dashboard calculator section, I have to be able to:

Update m2 prices
Update technical information of each model
Add new models
Modify the interest rate based on the months to be financed (12 months, 24 months, 36 months, 48 months)

DASHBOARD:

I don't like the current Dashboard at all visually

I want a dashboard visually like this:

https://dribbble.com/shots/9535419-Dashboard-landing-page-UI-UX-design

IDIOM

The language issue is not solved, it is still in English by default and I need it to be in Spanish.

The web has to be in Spanish by default and it has to be able to detect where the user is and translate into the language of the country automatically.

The cookie notice is in English, it must be in Spanish

BARRA HOME

The Homa bar is not fully integrated, it has a purple color fixedly, I want the bar to be transparent like this:

https://amentotech.com/projects/workfleek/

And when you scroll have the same blank adaptation as the link

ORDER CONTENT

The home bar must have the 5 points and subpoints

1-Home: To go back to the beginning

2-Forum: Access to the topic discussion forum

3-News: Access to all the news 4-Receive

Offers: Access to the questionnaire

5-Tools: you have to have these 4 submenus
      - 1 Calculator Display: done

      - 2 Get inspired:
      Quick presentation of all possible led solutions, the user can see product examples (photos and videos). We will add videos and photos from the panel administration.

SECTORS: HOTELS, RESTAURANTS, RETAIL SHOP, FAIRS, EVENTS, SPORTS, HEALTH, ADVERTISING, PUBLIC SECTOR, INFORMATION, LARGE SURFACES / SHOPPING CENTERS, CONCERTS, AUTOMOTIVE,

https://demo.select-themes.com/hazel8/

I want a page where I can add images and videos of the sector, so that customers can inspire and seek ideas.

      - Advertise:

      I want a new page:
      TITLE:
      Do you want to find led advertising spaces where you can advertise?

TEXT
      Woofic is a partner of the main led advertising agencies in Spain.

      If you are thinking of advertising and do not know how?
Fill out our questionnaire and we will contact you to offer you the best solution.

QUESTIONNAIRE:
      Questionnaire:

- Personal information
- Campaign location
- Campaign Duration (Days)
- Duration of the promotional video (1 minute)
- Exclusive Screen or Shared Screen
- Creation of content or content already made.

Contact and about us are currently in the home bar, but it has to be in the footer, not in the menu bar.

HOME CONTENT

Title I want:

ANQUEMA VISIUAL OF HOW THE PLATFORM WORKS

Title I want:

HOW THE PLATFORM

Current:

Make the payment online

With Woofic you can save up to 30%, instead of contacting vendors individually, hiring online and making secure payments online.

Hire a Provider

With Woofic you can save up to 30%, instead of contacting the suppliers individually, you carry out the procedures online safely.

- - - -

Current

Rate the provider

Evaluate the provider based on their experience

What I want:

Rate the provider

Once the project with a supplier is closed, evaluate according to your experience, so that the rest of the user can make better decisions.

- -

UPDATE THE QUESTIONS:

What is there now:

Why do I have to register?

Woofic is an integral platform, in which you can receive offers, negotiate, receive advice, make payments and many other advantages, that is why it is necessary to register, to be able to access your personal administration panel.

What I want:

Why do I have to register?

Woofic is a comprehensive platform, in which you will receive and manage offers, perform supplier ratings and many more advantages, that is why it is necessary to register, to be able to access your personal administration panel.
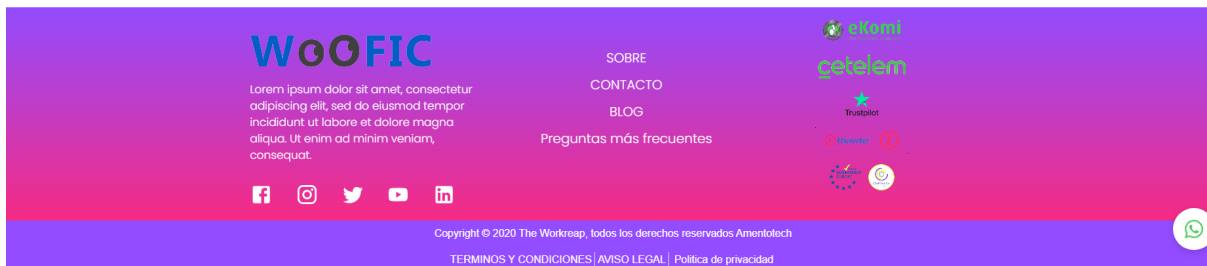

You have to eliminate question 3, and translate the questions that are in English into Spanish.

On the home page, above DATA OF INTEREST, a section must be added to attract suppliers to the platform so that they can register. type this

FOOTER

The current design with straight lines, I don't like:

I am looking for a footer layout like this:

https://amentotech.com/projects/workfleek/about/

With more beautiful lines and textures.

FOOTER IMPROVEMENTS:

LOGOS PARTNERS:

The logos must all be the same size and must be perfectly integrated into the footer

How is:
Copyright © 2020 The Workreap, all rights reserved Amentotech

How it should be:
Copyright © 2021 Woofic.com, all rights reserved

They have to be with links and it has to take you to a page with the information (I am preparing this information, I have to send it to you, but I am attaching a link with example information so that you can put it now.)

<u>FAQ</u>

The sections About us, contact and FAQ, have to redirect to a window like this:

Instead of having 5 options in the menu, you will have 3: About us, contact and FAQ

<u>https://carnovo.com/en/about-us</u>

Frequently Asked Questions = FAQ, the content is on the home page, for now there are 5 questions, we will add more
Contact us = h<u>ttps://www.woofics.com/contact </u>(The content is fine) About us:
I am preparing the content, I will pass it to you when I have it
